August 9-20 from 9:30AM to 3:30PM

PACTV, 4 Collins Avenue, Plymouth, MA

This two-week summer video course will teach students everything they need to know to produce a television quality video - from storyboarding and scripting to acting, shooting, editing and publicizing it. This is a hands-on course that emphasizes teamwork and team building, as well as creativity and artistic composition. Each group will have one instructor and an intern working with the students, providing them a focused, well-supervised, creative learning experience. There are 16 openings available. The group will be divided into two production teams. At the end of the class, each production team will have completed a video.

Eligibility & Registration: The course is open to Plymouth and Kingston residents entering grades 6-9 in the fall 2010. Space is limited to 16 students and the registration fee is \$325.00. Registration begins on Monday, April 26th at 10:00am at PACTV. Registration forms will be available for download on the PACTV website after Friday, April 23, 2010. Students who live outside Plymouth and Kingston may sign up for a waiting list that will be used to fill the classes if, after May 17, the classes are not filled. Spaces from the waiting list will be filled on a first-come/first-served basis.

Parent may download the registration forms and mail the forms along with their payment to PACTV. These mailed payments will be opened immediately upon receipt after 10AM on the 26th, however we suggest that parents bring their paperwork to PACTV rather than mailing it to be sure it arrives on time. Payment may be made in cash, by check, or money order. PACTV does not take credit cards. Openings will be offered to students on the waiting list if/when they come available in the order that students are listed on the waiting list.
