- This program is limited to 16 students. The group will be split up into two teams with one instructor and one intern per team.
- Registration priority is given to Kingston and Plymouth Residents. After May 17<sup>th</sup> (or other reasonable date) registration will be open to surrounding towns if workshop is not already filled.
- Parents of children needing medication during the day will be required to administer listed medication at the appropriate times.
- Meals will not be provided as part of this program. Students are expected to bring lunches and snacks. They will have access to refrigeration and a microwave. Water will be available on premises.
- Emergency procedure forms must be filled out with this application.
- Classes will be held at the PACTV facility and on location with supervision by professional staff and interns.
- Parents/guardians are to enter the building with students each morning to sign them in and come into the building to sign them out at the end of each day. Parents/guardians CAN NOT drop students off prior to staff being present and the building being open. The building will not be open prior to 9:15 am. Staff must be notified in writing if someone other than the parent/guardian will be picking up students at the end of the day
